## News Release: Annual Boo Bash Canceled

Franklin Fire & Rescue regretfully cancels the Boo Bash that is held each year on Halloween. The annual event draws over 1,000 visitors to Franklin Fire Department. “We are saddened by this but we must adhere to all safety protocols to ensure the protection of our staff and residents during the current Covid-19 pandemic,” said Fire Chief Matt Breedlove. The Boo Bash will be back in 2021.

Franklin Fire and Rescue would like to take this time to remind everyone of a few Halloween safety tips. If your costume doesn’t have bright clothing, please have a flash light with you or a glow stick so motorists will see you. Never enter a home or car of a stranger. Adults should accompany young children. All costumes, wigs, and accessories should be fire-resistant. Also, please remember to social distance, wash your hands, and wear a mask. Have a safe and happy Halloween.
